

How to Make Him Fall In Love With You

Top Ten Takeaways

- 1 Drop the fantasy of making uninterested men interested in you.
- 2 The greatest gift you can ever give a man is acceptance.
- 3 Men are about feelings, not looks. Make him feel good and he's not going anywhere.
- 4 Stay present. Do not try and read the last page of the book to see how it ends.
- 5 Over-functioning is trying too hard to make a man like you; you come across as weak and needy. If you do everything right and he is still selfish, aloof, or not attracted to you, let him go!
- 6 The best type of feminine energy is providing a contrast to what he already has; if he is driving, hard working, and opinionated, the best fit is a woman who is easygoing, accepting, and appreciative.
- 7 Men are notorious for saying what they mean, like "I don't want to talk," "I'd rather stay in tonight," "I'm not in the mood for sex," etc. Don't overthink it!
- 8 There are many men who can't make anybody happy. These guys are so selfish and unaware, they will create drama in any relationship.
- 9 An asshole is a nice guy 80% of the time, but 20% is just too much asshole.
- 10 Relationships should be easy. If your relationship isn't easy, it's not that good.
